

Thursday, May 11th + Friday, May 12th

Come be a part of NATIONAL WOMEN BUILD WEEK!

Support your community!

Special \$25 Build Day!

Women Build is a Habitat for Humanity program designed especially for women who want to learn construction skills and help build homes. This program brings together women from all walks of life to address the housing crisis facing families in Savannah/Chatham County.

Women Build encourages men to join women on the site as we swing hammers and raise some walls. No experience is necessary. Learn the construction process in a fun and positive environment.
