

*"Homeownership is one of the pillars of a vital, growing Chatham County. Coastal Empire Habitat for Humanity does a wonderful job connecting caring volunteers in order to facilitate affordable homeownership for motivated individuals and families," Jenny Gentry, SVP and Market President, Ameris Bank.*

Dear Amazing Woman,

We would probably believe you if you told me that you don't have the ability to pour a foundation, install the plumbing or even roof a house. But, what would you say if we told you that we know you **CAN build an entire house?** With the help of amazing women throughout Savannah and Chatham County, we absolutely know that you can!

Women in our community are going to build an entire home in 2018. We are going to accomplish this feat without a speck of dust in our hair, grout under our fingernails, or even a drop of sweat in the process. *Building Family Futures* is the newest venture of the Coastal Empire Habitat for Humanity in which an entire single family dwelling in our community will be built as a result of 200, **\$50-a-month pledges** plus matching grant funds.

We are inviting you to participate in this exciting new project at any level of involvement you wish. Some may only wish to commit to the monthly financial contribution. Others may choose to recruit or become a part of a team of 4-5 friends or colleagues in order to participate in a variety of quarterly events in addition to their monthly pledges. While these "construction crew" teams won't necessarily be wielding hammers or power tools, they will have the opportunity to build relationships with other women in our community who desire to make a difference in the life of a deserving family.

At the Coastal Empire Habitat for Humanity, we partner with low-income families to build strength, stability, and self-reliance through shelter.

We invite you to one of our two upcoming events to learn more about *Building Family Futures*. We invite you to the Flannery O'Conner Childhood Home at 207 E. Charlton St. to attend either:

Wine & Cheese -- Friday, Sept. 8<sup>th</sup> -- 5-7 p.m. or Mimosa Brunch -- Saturday, Sept. 9<sup>th</sup> -- 10a.m. -- 12p.m.

Space is limited, so an RSVP is required. If you cannot attend, but would like to participate, please fill out the enclosed response.

Feel free to contact one of us for more information about this particular project. We invite you to consider making this a part of your legacy to our community.

Warmest Regards,

Carol Coppola
