Gulfstream Volunteers Rocked out the ReStore for Coastal Empire Habitat

SAVANNAH, Georgia)- This past weekend the ReStore was blessed with a team of Gulfstream volunteers and family members who built merchandise display walls from scratch. Under the expert guidance of store manager Robert Grant, the team was able to fully assemble two complete portable display ‘walls on wheels’ in a little over 4 hours.

The ReStore is in a new location at 701 MLK Boulevard in the heart of the downtown. This volunteer project is part of an ongoing renovation of the new 30,000sf space.

The mobile display walls will be used to create rooms as backdrops to showcase furniture for sale at the ReStore. Due to an ever changing inventory, mobile walls lend themselves to display creativity for merchandising endeavors.

“Everyone had a great time and we couldn’t be more grateful to have had such a fun and talented Gulfstream crew to help us.”, commented Executive Director, Michael Weathers. “The partnership with Gulfstream and Habitat is wonderful because the folks there lead by example with their efforts & talents.”
