Coastal Empire Habitat for Humanity becomes Hoosie Martin Foundation Latest Grant Recipient

(SAVANNAH, GA)- The Coastal Empire Habitat for Humanity received a \$3,500 Capacity Building and Fund Developmental Grant just this last week. “This will be our second Habitat for Humanity we have funded this year. We are excited to see how our mission of empowering under-served communities will impact the Savannah region. We look forward to hearing the great stories on all the new homes you will be building for your community,” exclaimed Samantha Lewis, Director of Grants and Capacity Building.

“It is a great thing for Savannah and our affiliate to work and receive these funds from the Hoosie Martin Foundation,” stated Executive Director Michael Weathers. “Community support is vital to maintaining the Coastal Empire Habitat for Humanity’s mission of eliminating poverty housing. To reach our goal of building simple, decent and affordable homes throughout the Coastal Empire it takes more than just manpower- it takes dollars.”
