(Savannah, GA) - June 30th, 2015

On Tuesday, July 7th at 10 a.m. Scott Weeks of Fox and Weeks will be at The Savannah ReStore to present a check to Habitat for Humanity's Executive Director Michael Weathers. The Coastal Empire Habitat for Humanity will be awarded a \$1,000 York Children's Foundation grant.

Each time a family purchases a casket at Fox & Weeks, a portion of the cost is donated to the York Children's Foundation in the name of the deceased and the accumulated funds are distributed quarterly to area non-profits chosen through an application process. The York Children's Foundation is affiliated with the Mathews International Corporation casket division and has delivered millions of dollars in grants throughout the country since its introduction in the early 1990's.

The purpose of the York Children's Foundation is to award grants to non-profit organizations dedicated to supporting children, and any organization in the Coastal Empire with the primary purpose of providing for children's needs is eligible to apply for a York Children's Foundation grant. Fox & Weeks is the only funeral home in the area actively participating in the York Children's Foundation program and has now distributed more than \$10,000 to local non-profits serving children's needs since 2012.

"By awarding us this grant, Fox and Weeks has demonstrated that they understand how important to the well-being of children of families of character home ownership is.", stated Executive Director Michael Weathers. "We are honored and humbled to be a recipient of this grant".
